

## OnTime® Preauthorized, Recurring Debits

I (we) request and authorize the OneBeacon Insurance Group (“the Company”) to obtain payment of amounts becoming due on the above-referenced policy(ies) by initiating debits to my (our) account. I (we) request and authorize the financial institution named above to accept and honor this request. The debit(s) will occur on the due date of the payment. I (we) understand that the Company may impose a fee in the event of insufficient funds. This authorization will remain in effect until I (we) notify the Company in writing to terminate such service and the Company has a reasonable time to act on the termination, but no less than three (3) business days. If a payment has already been deducted from my (our) account, or if my (our) notice to cancel recurring payments is less than three (3) business days, we understand that it is not possible to stop payment. If I (we) cancel my (our) policy(ies), I (we) must also cancel the recurring payments, as the Company will not automatically cancel such payments. If there is a premium due, or a portion of a premium due, the Company will debit that premium, or portion thereof, prior to terminating the recurring payments. The Company will notify me (us) in writing of changes to my (our) recurring payment plan and premium amounts. I (we) hereby terminate any prior Authorization of the Company to debit this account, effective the date on which the first debit is initiated by the Company under this Authorization. I (we) understand that this agreement may be terminated by the Company at any time, with written notification submitted to the customer at the time of termination. This Authorization will become effective only upon acceptance by the Company at the address shown below. If you believe there is an error on your statement, please contact the Company at 1.877.624.7775.
